Lifetown training for new and returning volunteers

If you can give as little as two hours a week, you can make a lasting difference in the life of a child with disabilities.

If you missed the training but would like to volunteer, Call Cheryl Sher at 774-3403 to schedule

There is exciting new technology at LifeTown in the form of iPads, cash registers and library software. All of these things help us better serve our students in developing valuable life skills. This is a great opportunity to try a new venue, safely, as we role play the experience. We want all volunteers to be comfortable in all venues. Please let Cheryl know which session you would like to attend. Bagels and coffee will be served.

The LifeTown school year will begin in late September.
For more info about the LifeTown program, visit www.lifetowncolumbus.org
