### A Light FOR OKLAHOMA

A little bit of light defies much darkness

In solidarity and comfort to those affected and their families, light your own Shabbat Candle this Friday evening May 31st, or contribute with any Mitzvah.

**A Light for Oklahoma**  
A little bit of light defies much darkness

On May 20th a dark cloud in the form of an EF5 tornado blackened the Oklahoman skies, injuring 337 and claiming the lives of 24, 9 of them young children. With over 13,000 homes destroyed, devastating the lives of thousands of people. The pain and the suffering, the helplessness and the tears, turned their bright days, into the darkest of nights.

A little bit of light defies much darkness. In solidarity and comfort with those affected and their families, we ask you to light your own Shabbat Candle this Friday evening May 31st, or contribute with any **Act of Goodness**. With the flicker of millions of flames each and every Friday night, we can bring light into the darkest places on earth and usher in peace throughout the world.

Join us, won't you?

Together we can light up our world! Join the [Facebook event](#) and invite your friends to join too!

If you would like to volunteer, call or [email](mailto:email) Cheryl Sher at 774-3403 to be on the list for this fall when LifeTown reopens.
