#### Topic "Is it Legit?"

Have you ever had to make hard choice, but felt unsure if it was right or wrong? We all face these challenges on a daily basis. Sometimes you have only seconds to make your move, and the correct choice is not clear. How DOES one define the boundaries of right and wrong? In this series, you will examine and debate common moral issues and discover Judaism's practical and often surprising insights into how to deal with them. This course is an eye-opening experience, a think-tank for teens looking to discover their own Jewish GPS for navigating life! So the next time you face a tough decision, you'll decide for yourself: "Is It Legit?"
