## For Ladies Only

The **Women's Chessed Committee** is a vibrant group of women that provides support to community members during times of need. This year's initiative will be to help members in our community who are recovering from illness. Their next event is the **Challah sale** (see below). Please contact Esther if you would like to join.

Esther led the first class of a new women's **Kabbalah series** to be held monthly on Tuesdays. The class had a great time discussing the first topic - the spiritual meaning of sleep and how it truly gives us new energy to make lasting change and new beginnings in our life - while enjoying a lovely lunch with friends. See below for future dates and topics. (Rosh Chodesh "It's About Time")

You will soon experience a delightful night of fellowship.
