Volunteers needed to make LifeTown a success!

If you can give as little as two hours a week, you can make a lasting difference in the life of a child with disabilities. Volunteers play the roles of merchants in our venues, helping children learn life skills.

If would like to volunteer, call or [email](#) Cheryl Sher at 774-3403 to schedule. We are in session almost every day, so we are in great need of volunteers.

"My kids have spent the past two summers at Gan Israel enjoying all the wonderful activities and field trips. In addition to loving the activities, they've made great friends and enhanced their appreciation of Judaism. The best though - are the counselors who are very energetic and incredible with the kids."
