Topic "Is it Legit?"

Have you ever had to make hard choice, but felt unsure if it was right or wrong? We all face these challenges on a daily basis. Sometimes you have only seconds to make your move, and the correct choice is not clear. How DOES one define the boundaries of right and wrong? In this series, you will examine and debate common moral issues and discover Judaism's practical and often surprising insights into how to deal with them. This course is an eye-opening experience, a think-tank for teens looking to discover their own Jewish GPS for navigating life! So the next time you face a tough decision, you'll decide for yourself. "Is It Legit?"

A Reason to Celebrate
A new course for women from the Rosh Chodesh Society
Ages 18-30
Ages 18-30
Ages 18-30

What's your reason to celebrate?

The Jewish holidays are the centerpieces of our year. Days when we remember events that forever changed the course of our history. But they are much more than that. The festivals are pauses in time, primed for personal introspection and spiritual re-connection. Windows to the psyche, fortifying us with tools for facing everyday challenges. Kaleidoscopes of beauty and meaning, changing how we see ourselves, our relationships, and our world.

Join us for this eye-opening new learning series from the Rosh Chodesh Society, coming this November.

Rosh Chodesh meeting/luncheon dates - day of week will vary:
Nov. 5, Dec. 4, Jan. 28, Mar. 3, Apr. 1, Apr. 30, May 29
12:00-1:00 pm
