Your Beautiful Fruit

Seven Fruits—Seven Dimensions of Your Soul

On Tu B'Shevat, the "New Year for Fruit Trees," we partake of the fruits for which the Land of Israel is blessed, each of which embodies a lesson in personal or spiritual growth. Through exploring the seven species, this lesson will examine how we can live a wholesome life despite the conflict and fragmentation we experience in our lives.

Rosh Chodesh Society is a program of the Rohr Jewish Learning Institute www.myjli.com

A new JLI class beginning Feb. 3

What was it like for our ancestors to say goodbye to the shtetl, to set out to discover new lives for themselves, along with all of the liberties the free world had to offer? At the dawn of the enlightenment, how did our parents adapt their Judaism to the developments of a modern age? And what can we learn from their struggles to connect deeply with our own Jewish identities?

This new course will give you the opportunity to make sense of your personal Jewishness; it will help you overcome perceived incompatibilities between Judaism and modern society; and it will provide you with the clarity and conviction to pass on a legacy of Jewish pride to the next generation.
