Soulmates (coming November 2014!)
Jewish Secrets to Meaningful Relationships
 Romantics of all ages have waxed poetic on the notion of "soulmates," seeking to grasp what makes love and passion so potent, what drives the inexplicable magnetism between two people, and what makes true love last. Yet millennia of Jewish text and tradition are rich with insights on this very topic, from the mystical and spiritual to the no-nonsense and practical. Whether you are currently married, considering someday tying the knot, or simply seek to better understand the spiritual root of love and marriage, Soulmates is a seven-session course drawing on timeless Jewish wisdom that will forever change how you think about the important relationship in your life, in all its beauty and complexity.
