HOW HAPPINESS THINKS

Join a new six-session course from the Rohr Jewish Learning Institute

HOW HAPPINESS THINKS

is a course of six 90-minute sessions of group discussions, readings, and inspired learning. More importantly, it's a course of action: a Jewish roadmap to finding lasting, deep, and resourceful happiness. You'll learn that happiness isn't just an emotion that visits by chance. Happiness is a state of mind that you can cultivate and nourish with practical steps-based on both Jewish learning and recent scientific observation-and take to levels you might have thought unimaginable.

How Happiness Thinks seeks the core happiness that we know is inside of you, just waiting to come out. Let's discover it together.

FIRST TASTE Program - Judaism Comes Alive!

At Chabad, the richness and beauty of our Jewish traditions come to life. Our dynamic programs will educate, stimulate and excite your children intellectually, emotionally and practically. We believe that a child's Jewish learning must be creative, memorable and fun. Because at Chabad, children don't just love to learn about Judaism, they learn to love Judaism too.

Ages 3-5:
Dates: Every Sunday for the duration of the scholastic year.
Time: 11am-12pm

FIRST TASTE is designed to capture the very young child's imagination with song, art, drama and games. By exposure to the aleph-bet, Torah tales, prayer through song and holiday studies, a child gains a sense of pride and love for Judaism.

Annual Tuition: \$270
LSCC members: \$175
